CROSS MARKS (X.)
Look out for cross marks on your paper. This indicates the expiration of your subscription. We are compelled to adhere to our rule of payment in advance. We hope you will renew without delay.

BURGLARY.—On Monday night last Col. Hill's saloon was robbed of groceries to the value of \$75 or \$80.

NO RAIN YET.—At this writing, Thursday morning, we have had no rain here in eight weeks. We are expecting rain, however, to-day. The moon changes.

COLORADO REVIVAL.—The revival which has been in progress among our colored friends in this place for the past 12 or 18 months, still continues nightly with unabated interest, and from present indications, bids fair to continue until the crack of doom.

DEATH OF RECTOR SMITH.—We are pained to announce the death of Rector Smith, Principal of the Atheneum Female Academy, at Columbia. He expired at that place on Friday night, after a brief attack of bilious fever.

"EQUAL RIGHTS."—The above sign was hung out by the colored proprietor of drinking saloon, on Monday last, in front of his den, but was hauled down during the day by request of some of our young friends from the country. The demand was made and complied with in a very quiet way.

REVIVAL.—The revival which was in progress last week at Moriah, has been transferred to Trinity, a Methodist Church in the same neighborhood, at which a quarterly meeting is now in progress.

The good work, begun at Moriah, still goes on at Trinity. We hope it may widen and deepen until its influence reaches this sin-cursed town and community.

MARRIAGES AND DEATHS.—If our friends throughout the county will furnish us with notices of marriages, deaths, or other incidents or accidents of local or general interest, we will always be ready to publish them. It cannot be expected that we publish such items without names or dates, or any data whatever, upon which to make an item.

SAD ACCIDENT.—On Monday last, Mr. Wm. Flemons, who resides on Choat's creek in this county, was badly wounded by the accidental fall from his own hands and discharge of a heavily loaded shot gun. The entire charge, 14 buck-shot, entered his ankle, producing a most painful and ghastly wound, and rendering amputation necessary. The surgical operation was performed by Drs. Grant & Abernathy.

Circuit Court.
The Circuit Court for Giles county opened on Tuesday last, Hon. JOHN A. CAMPBELL, of the 10th Judicial District, presiding in an interchange of sittings with Hon. HILARY WARD, and discharging business with great rapidity, giving universal satisfaction, and evincing rare energy and ability. We regret to learn that Judge CAMPBELL is now quite unwell, and in consequence Court is now adjourned from day to day, until his recovery.

Attorney General J. J. Noah being absent, our able and eloquent fellow-citizen, NATHAN ALBANS, is acting.

The docket is perhaps the largest ever known in this county—there being 566 cases for trial, as follows:

Law Trials, 353; Appearance Docket, 70; State Cases, 143. Of the latter 27 criminals are in jail at Columbia—7 whites and 20 blacks.

GRAND JURY.—Robert Dickson, foreman, Jas. M. Aymett, Alexander Bryant, Isham H. Trotter, Callaway H. Tidwell, F. M. Kersey, J. P. Kelly, P. J. Hollis, Wm. S. Ross, Jas. R. Bunch, Leroy M. Grubbs, Edward Yancy, James P. Smith.

REGULAR JURY.—B. F. Jones, J. I. Barber, J. M. Parker, D. H. Parsons, R. D. Reed, Benj. Franklin, J. C. Young, J. F. Smith, R. L. McCord, J. A. Beasley, W. H. Abernathy, J. H. Carter.

Eighty different samples of as many varieties of marble, recently found in Maury county, have been placed on exhibition by Daniel Hillman and the Messrs. Gordrick. Some of the specimens are very fine, equal to Italian, and the quarry promises to be very profitable.

A correspondent of the Milwaukee News says that "Minnesota is about to yield another of her bountiful harvests. People only fear now that the wheat crop will be too luxuriant. I have known as much as 55 bushels to the acre raised here."

A mandamus has been served upon the Clerk of the County Court of Davidson Co., at the instance of Messrs. F. Furman & Co., requiring him to show cause why he refuses to receive the issues of the Bank of Tennessee in payment of dues to the State, and the case will be heard at the next term of the Circuit Court.

Similar proceedings have been instituted by other parties, and the people of the entire State will look forward with great interest to the decision of the Courts.

Tribute of Respect.
At a meeting of the physicians of Pulaski, for the purpose of paying a tribute of respect to their medical brother, Dr. J. P. EPPERSON.

On motion, Dr. R. G. P. WATTS was called to the Chair, and Dr. J. A. SUMPTER appointed Secretary.

On motion, the Chairman appointed Drs. GRANT, BATTLE, ABERNATHY and BURDETTE, a committee to draft suitable resolutions.

The committee presented the following resolutions which were approved and adopted:

WHEREAS, The All-wise Creator has, in His inscrutable judgment and unerring wisdom, removed from our midst our friend and fellow-citizen, Dr. J. P. EPPERSON, therefore,

Resolved, That in his death the community has lost one of its most valued and estimable citizens, the science of medicine, one of its ablest exponents and most zealous devotees, and his family, a kind, generous and affectionate husband and father.

Resolved, That we tender the bereaved family our most profound sympathy and heartfelt sorrow.

Resolved, That a copy of these proceedings be furnished the widow of the deceased, and that the Pulaski Citizen be requested to publish the same, and that a copy be sent to the Nashville Medical Journal.

DIED.—On Saturday night last near this place, of Diphtheria, MARY ELIZABETH, daughter of Wm. J. and Mary Tarpley—aged about seven years.

CEDAR BLUFF FEMALE COLLEGE.
THE members of the community in which the College is located are sufficiently acquainted with its history, progress and prospects. A brief statement, however, may be required for the benefit of those whose residence is more remote. The College is three miles South-east of Woodburn, a village on the Louisville and Nashville Railroad, midway between Bowling Green and Franklin, Ky. It is situated upon a high point of ground, commanding a picturesque and beautiful prospect, in a generally healthy portion of the country, sufficiently retired to insure quiet and freedom from all disturbing causes, and yet within easy access to the facilities for exercise and enjoyment pertaining to country life. The healthfulness, morality, enterprise and advancement of the institution are fully established. As it has increased in public esteem, more extensive accommodations were demanded, and the buildings have therefore been enlarged, and an additional number of dormitories can be received and accommodated. The discipline is mild, yet thorough and decisive. The law of kindness is the law of the institution, and no harsh or extreme measures will ever be resorted to, unless the conduct of the pupil should require such a course. But in no case will a member be permitted to remain, who is unfavorable, or whose trifling on her companions is injurious. The penalties are: Admonition and reproof, suspension for repeated offenses, and expulsion in the last extremity.

It is the purpose of the Faculty to promote a thorough, rather than superficial education, and to give careful attention to proper exercise and recreation on the part of the pupils, that health may not suffer while the mind is profited, and it is also an important object while endeavoring to increase the mental vigor of the pupils, and add to their stores of knowledge, to cultivate that grace of manner, propriety of taste, and amiability of disposition, which characterize well bred and well informed ladies, and which will entitle them to the respect of refined and cultivated society.

The female teachers reside in the same building with the pupils. This favors the exercise of that care and solicitude of which young ladies should not be deprived while absent from the parental roof. The school is strictly select, which effectively prevents that miscellaneous association so common in public schools. All the teachers are considered a part of the family, and as such are cared for and controlled. For the ensuing term the number of pupils will be limited to fifty.

Regulations for Boarding Pupils.
The rooms of the young ladies are furnished, and supplied with water, fuel and light, but they are required to keep them cleanly and in good order. The pupils are required to prepare lessons during the appointed hours, at night and morning. The signal for retiring is given at half past nine o'clock p. m. Thirty minutes after that time, no lights are permitted in the rooms.

In the morning all are required to rise at the ringing of the bell.

The young ladies are not permitted to attend during the session, any party or place of amusement, incompatible with habits of study; to receive thatations of young gentlemen while they remain members of the institution; to visit any stores or confectioneries without being accompanied by their teachers or parents; to open accounts at any store or boarding place; to receive any packages or packages; to leave the college premises without being accompanied by a teacher or some relative of their own family. Day pupils are required to bring a note in case of absence, tardiness, or when permission is desired to leave before the regular time, to leave the institution in a quiet and orderly manner immediately upon dismissal; to conform in other respects to the rules and regulations for the internal government of the institution. No deduction made in board or tuition for voluntary absence.

Sessions.
The scholastic year commences on the first Monday in September, and is divided into two sessions of twenty weeks each, without any intervening vacation; thus giving a term of forty weeks, and affording an ample vacation in the hot season of the year.
